

# **BOROUGH OF SHIP BOTTOM NOTICE OF HYDRANT FLUSHING**

In our continuing effort to supply you with safe and palatable drinking water, flushing of hydrants will take place Wednesday, April 4th, 2021 through Friday, April 16th, 2021 between the hours of 9:00 a.m. and 6:00 p.m.

A lowering of pressure and some discoloration of your water may result. Pressure will be restored and discoloration cleared as soon as flushing is over in your area.
